Report of Principal and School

Palmetto State E-cademy (PSE) is a public virtual charter school founded in 2008 to serve students in grades 9-12 throughout the state. School offices are located in Columbia and our student body of approximately 300 students demonstrates the same blend of diversity found throughout the state. The mission of Palmetto State E-cademy is to bring high school age students back into the public school system and to help them reach their individual potential, specifically reaching out to those students who are “at-risk”, not well served, or have dropped out of the traditional brick and mortar academic environment.

PSE is one of only two virtual schools in the state to achieve the prestigious AdvancEd accreditation. Our excellent teachers work from their homes in various locations throughout the state and they, along with other PSE staff, are dedicated to the success of our students. We have strived to increase mandated state testing scores by implementing individualized remediation, test review content integrated right into our curriculum, and regional face-to-face review sessions.

Teachers facilitate homerooms which allow all students the opportunity to participate in social gatherings, service projects, and to garner additional academic support. Palmetto State E-cademy’s curriculum uses a mastery framework, with standards-aligned content, which requires students to fully grasp concepts before moving forward with more difficult concepts. Our Graduation Coach guides seniors and graduating juniors through their last high school courses to assist them in their goal of earning a high school diploma. Homerooms, our Graduation Coach, and our dedicated support staff all demonstrate PSE’s commitment to help our students reach their individual potential and graduate with a high school diploma.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	75.2
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Palmetto State E-cademy has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
